Dear Parishioners,

We are in the middle of the month of August. What this means is that another school year is beginning for our young people. As we begin another school year, I ask you to pray for our teachers, administrators, and staff, who truly are dedicated and committed to Catholic education. I also ask your prayers for our students and parents, as they entrust us to supplement for them in their primary role of teachers of their young people in matters of faith and morals. As we begin another school year, I want to thank our parish family for their generosity and support in this very important mission of our local Church. A big thank you to this parish family who sees the values of Catholic education and will provide what is necessary so that we not only maintain but continue to grow in this valuable mission of our Church. May God bless each of you.

In light of opening another school year, I want to remind our students and parents that we will be having a Back to School Mass on Tuesday, August 21st, at 5:30 p.m. After this Mass, the students and parents will be invited to go the school and meet their teachers and check out their classrooms. So let's begin our school year on a spiritual note by attending and celebrating this special Mass for students, parents, teachers, and staff. The official opening of our school for classes will be on Wednesday, August 22nd. Welcome to our new students and families, and a special welcome to our old students and families.

Very important to our parish are also all the young people who attend the public schools here in Quincy. We want to make sure that we pray for these students and their parents as they open a new school year in some new buildings. I ask you also to pray for the teachers, administrators, and staff who also do such a great job in educating our young people in their role as teachers in the public arena. May God also bless their efforts and talents.

I also want to inform you that I am seemingly on the mend after my procedure at Barnes-Jewish Hospital in St. Louis. I am hoping that this Ablation will end my continual struggle with AFIB. I was very impressed with the skill of my surgeon and the care of all the people involved. And it just goes to show you how small our world is. One of my nurses who took care of me after the procedure graduated from Quincy University and Blessing-Riemann School of Nursing. Another person who walked me before I went home was dating the son of a parish family here at St. Peter. What a small world! Now I am trying my best to get my energy level back and start another school year with vim and vigor in my step. Some might say that I never had that before—but there's always a chance for small miracles. I want to thank you for your prayers, love, and support. Needless to say, I was very glad to get back home to Quincy and I did my very best to hurry the situation.

Our PSR program for the young people who attend the public schools will begin with a family Mass and orientation on Wednesday, August 29th, at 6:30 p.m. We expect our parents and students to be present for this celebration.

Fr. Leo's column continued

As our schools are beginning their new year of learning, we are also preparing for another year of learning for all those who might be interested in the Catholic Faith. This year of learning is called the RCIA, or the Rite of Christian Initiation of Adults. It will begin sometime in September and will conclude a couple of weeks after Easter. If you know of anyone interested in the Catholic faith, please invite them to attend these classes and offer, if necessary, to come with them. More details will be forthcoming.

Finally, our 8th Annual Parish Picnic will be held next Saturday from 5:00 p.m. to Midnight on our parish grounds. We are still looking for volunteers who can help us set up, tear down, and work throughout the picnic hours. This is a beautiful way of seeing stewardship in action. I ask our parishioners to support this endeavor by your presence, your participation, and your prayer. This is truly a "fun raiser" for us, not a fund raiser. Throughout the year, we pray together, now this night we play together and socialize with each other. Without you, we cannot be that Church we profess to be. We need your presence—so come and join us.

ON THE LIGHTER SIDE: A certain church found itself burdened with a very tedious and self-centered pastor for a couple of years. Then came the day he was called to another church. He announced his resignation by saying, "brethren, the same Lord who sent me to you is now calling me away."

There was a moment of silence and suddenly the congregation rose as one and began to sing, "What a friend we have in Jesus."
