Dear Parishioners,

We gather this weekend to celebrate the Sixth Sunday of Easter. Our gospel for this weekend challenges us “to love.” We might think that this is easy and comes quite natural in our human condition. But the added touch that Jesus presents is not to “love as we love”, which is often so conditional and dependent upon our feelings. Rather, Jesus says “love one another as I love you.” Now this challenge becomes rather difficult and trying. For the words of Jesus challenges us to look in our lives in how Jesus has loved us, even to the point of looking upon the crucifix and Church and seeing the depth of His love for us. This is the type of love to which He challenges us. Now this is not easy, and is not natural to our human condition. For who among us would lay down our lives for another. But the beautiful part of this challenge is the presence of God’s grace. With His grace in our lives, all things are possible as is evidence of this type of love in the lives of all the saints.

The beautiful part of living this type of love in our lives is found also in the words of Jesus in this gospel. Jesus states “I have told you this so that my joy may be in you and your joy might be complete.” When we accept the challenge to live this type of love, we will find a joy that makes all of our lives complete. I was thinking about this idea of love last Friday. The seventh of May was my mother’s birthday. She would have been 100 years of age had she lived. But as I was thinking about her and her life, especially as we celebrate Mother’s Day this weekend, I concluded that there was never more of an example of Jesus’ challenge of love than in my mother. And perhaps each of you could say the same about your mothers. Was my mother perfect? Not hardly but I also know that she would have laid down her life for me and often did especially when I needed her the most in my sickness. When I was very young, I was inflicted with a number of childhood disease at the same time, causing me to be in complete isolation and a question whether I would survive. Through her prayer and love, as you can see, I did. This Mother’s Day I recall the words of Jesus in our gospel who said, “No one has greater love than this, to lay down one’s life for one’s friends.” For the love made incarnate in her life for me, for the love of all the mother’s of our parish family, let us, their children, thank God for this special gift. I heard it once said that God could not be everywhere so He created mothers. And to all the mothers of our parish, Happy Mother’s Day. And to all mothers who are deceased, we pray that their joy of motherhood is now complete as they prayerfully live with our God, the source of love, for eternity.

We will have our closing Mass for our PSR program this Wednesday, May 12th, at 6:30 p.m. in the Church. Parents and students are expected to be present. As we close out the school year, I remind them that even though they will not be having class, there is no vacation from the active practices of their faith. So I expect to see you with your families at Church on the weekends.

Then on Thursday, May 13th, we will be hosting the Quincy Notre Dame Baccalaureate mass at 7:00 p.m. I ask your prayers for our seniors at QND as well as Quincy High School as they begin a new journey in their young lives.

PSR Teacher Sought

Our children are our greatest gift from God. Parents are the first and foremost teachers for our faith to their children. Our PSR teachers are a valuable part to help in the additional teaching of our young people.

I am personally asking for someone to step up to this wonderful opportunity to help as one of our PSR teachers. PSR meets on Wednesday nights from 6:15 pm to 7:30 pm. Please think and pray about helping or ask one of our teachers their rewards they have experienced on their own journey.

You need to have a desire to help teach our Catholic faith to our children. Materials are provided and compensation is paid.

Please reach out to me with any questions. Thank you for your consideration.

Gina Wolf, PSR Coordinator, 217-257-9966 or 217-224-3070.

The School of St. Peter

Week of May 9, 2021

A Message from Mrs. Cindy Venvertloh

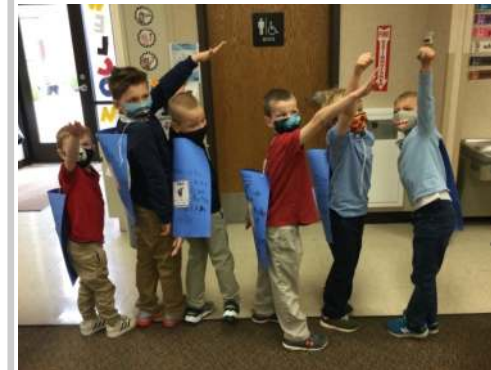

"St. Peter School provides a quality education built on Catholic values and teachings."

What is S.T.E.M. and what does this mean for the students at St. Peter School? In the next few weeks, you will be hearing more and more about this new project that will start in August, 2021 within our school. The staff is so excited for what this new endeavor will bring to our students so stay tuned as more exciting news is revealed about this new project!!! Hint - S.T.E.M. is an acronym for four words. Have your child fill out a paper with their guess on what it means and include name (first/last) and grade level by Monday, May 10th. If they are correct, they will win a small treat! Extra bonus if they know what S.T.R.E.A.M. means.

Fr. Leo's column continued....

In the next ten days, we will be celebrating differing commencements in our Quincy Catholic community. The first commencement will be at Quincy Notre Dame. Depending upon the weather, their graduation ceremony will take place outside on the Advance field either on Friday, May 14th at 6:00 p.m. or Sunday, May 16th, either at 1:00 p.m. or 6:00 p.m. Since the ceremony will be outside to accommodate more people in this age of the pandemic, we have to be a little more indefinite in the planning of these ceremonies, with differing options available. Our 8th grade graduation/promotion ceremony from St. Peter School will be on Tuesday, May 18th, at 6:30 p.m. With having graduates from both schools, I ask our parish to remember them in prayer.

ON THE LIGHTER SIDE; Elementary school students were asked these questions with their responses:

- Why did God make mothers?
 She's the only one who knows where the Scotch tape is.
- How did God make mothers?
 Magic, plus super powers, and a lot of stirring.
 God made my mom just the same like He made me. He just used bigger parts.
- Why did God give you your mother and not some other mom?
 We are related.
 God knew she likes me a lot more that other people's moms like me.

HAPPY MOTHER'S DAY *Mrs. Leo J. Eulow*
