*Thirteenth Sunday in Ordinary Time, June 27, 2021*

### Dear Parishioners,

We gather this weekend on this last weekend in our month of June. I hate to say it, but this month has been flying by and I'm not sure where the time has gone. I only hope that things will slow down, and we can enjoy these summer months. At least this past week has been gorgeous as opposed to the heat wave that we had that slowed everyone down. Let's continue to pray for our farmers who have had a difficult month, too much rain, then not enough rain. Hopefully, they will receive what is needed for a bountiful harvest.

As we gather, we celebrate the 13th Sunday in Ordinary time. In our gospel, we have before us two differing miracles that Jesus would perform. As He was responding to the request of Jairus whose daughter was at the point of death, Jesus was approached by a woman who had been hemorrhaging for 12 years. She was at the point of desperation and thinks, "If only I would touch His clothes, I shall be cured." And so, she does, and she is cured. She realized her faith and said to her, "Daughter, your faith has saved you. Go in peace and be cured of your affliction." There are times in our lives that we only wish we had that kind of faith, a faith that brings miraculous cures for people who are afflicted with all kinds of illnesses. As Jesus continues His journey to the home of Jairus, Jesus is confronted with the reality of the death of this young girl. Nevertheless, Jesus enters her room and boldly states, "Little girl, I say to you, arise." And she did. The gospel then states, "at that they were utterly astounded." Who wouldn't be? The gospel gives us a glimpse of who Jesus is, for even in death there is a hope for new life. And this gospel gives us a hope beyond reason.

The weekend of July 10th-11th, we will be having a representative from Catholic Charities to speak at all our Masses encouraging us to support their ministry here in Quincy. This organization does so much in our community to meet the needs of the poor. There are special envelopes in the parish envelopes that are marked Catholic Charities. Although we do not have a second collection, I am asking you to use your envelopes and between your gift that weekend and our stewardship, we will send them a check from the parish for their continual work. Since we cannot bear witness to our faith in many social issues, we in turn work in and through Catholic Charities through our support and generosity.

Now that we are just about back to normal, we are having trouble getting our young people to serve at Mass, especially on weekends. I don't understand the hesitancy and so I am asking our parents to help us in this matter. They can sign up beforehand via the website, or if they see a need, I ask them to come up and serve. As of now, we are still not introducing the cup with the Precious Blood for obvious reasons.

During the month of July, I plan on being away from the parish on several differing short trips. As many of you, I have been locked down because of COVID and really feel like I need to get away for a little R and R.

I hope that you have been enjoying the "Ministry Spotlights" being presented after Holy Communion at each of our weekend Masses. It gives a glimpse of what our parish is doing as we live out our stewardship.

**Fr. Leo's column continued....**

Besides moving the statue of Venerable Augustus Tolton and creating a landscaping area for this move, we are also painting the cafeteria this summer. Just trying to spruce up the buildings in preparation for another school year. We are also doing some work in the lobby area of the gym along with our restrooms that are located nearby. The tile seems to have a tendency to move and so we are hoping to take it out and replace it with a floor like we have in the cafeteria. Furthermore, hoping that Maine Street will be completed in a few weeks, we will be starting the school year with a great entrance to the school, Church, and rectory.

Just to let you know that our sister parish in Haiti have received their shipment of food from the Food for the Poor Program as well as the shipment of goods that we sent in the Spring. With the pandemic as well as political upheaval, the people of Haiti are really suffering and sure need our support. Remember, "whatever we do to the least of our brothers and sisters, we do for Jesus." Thanks for your generosity.

**ON THE LIGHTER SIDE:** I think that this might be a repeat, but it's still good. Joe's wife bought a new line of expensive cosmetics guaranteed to make her look years younger. After a lengthy sitting before the mirror applying the "miracle" products, she asked, "Darling, honestly, what age would you say I am?" Looking over her carefully, Joe replied, "Judging from your skin, twenty, your hair, eighteen; and your figure, twenty-five." "Oh, you flatterer!" she gushed. "Hey wait a minute!" Joe interrupted. "I haven't added them up yet."
