Dear Parishioners,

It's hard to believe that this is the second week in our month of July. It seems that this weekend, unfortunately, marks the downward side of our summer vacation. It has been a very relaxing time for me and I hope for you. May the remaining days of this summer vacation find more relaxing time as we recuperate and prepare for another school year.

If you haven't noticed, we have moved the statue of Venerable Augustine Tolton. It is now in a more prominent place. Before the statue was placed in front of the school often becoming lost in the plants and blending in with the building. But now anyone can see it from most of the parking lot as we come into the Church. Needless to say, one of my biggest worries was moving the statue without damaging it. And so we asked John Rupp, Rupp Masonry, and his son, Bryce, to move that statue since they had the equipment to do it. With the grace of God, the prayers of Venerable Augustine Tolton, and the expertise of the Rupp family, we moved it into its proper place without any incident. Furthermore, to highlight our past, we also moved the old concrete bench that had pieces of the old St. Peter Church that was destroyed in 1945. Assisting us with this move was also Randy Martin and Eric McNay from our staff. This whole project of moving the statue was the idea of a parishioner for whom I will be forever grateful. In conjunction with this move, the girl scout troop 5095 approached me with a service project, to create a butterfly garden somewhere on campus. So we decided to merge the two projects. And so what we have will be a prominent place for Venerable Augustine Tolton, surrounded by some landscaping that will highlight the area even more. The girl scouts enlisted the help of Carol Raker from Creative Garden Services, who volunteered her services, and chose the plants and their placement, and with the help of parents were able to complete this project before the Tolton pilgrimage on Friday, July 9th. It is a project to honor and highlight one of our own who some day will be recognized in the Communion of Saints. In the meantime, this particular area will help us remember him, and with the memorial wall with its plaques, will help us also remember his life and the many challenges that he faced. Venerable Augustine Tolton, pray for us.

We also have new brochures of our memorial wall that will be available to anyone interested. It has an explanation of each plaque as well as some of the people who helped make it a reality. There were a number of parishioners who contributed financially to this project but I did not want to single them out as it was unfair to other parishioners who also would have contributed had they known that I was asking. Instead, these parishioners know who they are and I truly thank each of them for making this dream a reality for our parish family.

This weekend, representatives from Catholic Charities will be speaking at our Masses, asking your support for their efforts in our community. Please listen attentively, and respond generously. Envelopes for this collection can be found in your packet of envelopes. You and I are able to help our community through the work of Catholic Charities. Remember, "whatsoever you do to the least of your brothers and sisters, you do for me." Give generously!

MEET OUR NEW PARA EDUCATORS FOR 4 YR OLD PRESCHOOL

Mrs. Natalie Genenbacher
AM Class

When Mrs. Natalie Genenbacher thinks of her childhood many good memories of St Peter School come to her mind. Some of them are a leaf collection binder, building volcanoes, attending weekly school Mass, making pretzels, attending Washington D.C. and class with Fr. Bauer. Natalie also attended QND, JWCC, and graduated from Quincy University with a degree in Marketing. She is married to Kraig Genenbacher. They have 4 children who attend St Peter: Taylor 8th, Collin 5th, Caleb 2nd, Corbin K. Mrs. Genenbacher previously worked at Heintz/Quincy Lighting and she continued to do lighting consultations on the side while being a stay at home mom. In her free time she spends most of it watching the kids' games and running them to practices but she also enjoys walking trails and being outdoors as well. She is excited to help Ms. Carmen Griffith and the 4 year old morning preschool class. The preschool program at St. Peter has helped her own children have fun, learn, and make new friendships. She is looking forward to helping the students have the best experience.

Miss Paige Eckert
PM Class

Miss Eckert was born and raised in Atchison, KS. In her free time she enjoys spending time with her son August, going camping with her family, spending time outdoors, and watching her favorite sports team—the Jayhawks.

Fr. Leo's column continued....

I am leaving after the 8:00 a.m. Mass on Sunday and will be gone but a few days this week. I'm doing something I haven't done since I was about 22 years of age. I sometimes wonder if I'm reliving my younger years in going on a canoe trip on the Current River. Whatever the case, please pray for me as I will keep you in my prayers. Will be back on Thursday or Friday of this week as I have a wedding on Saturday. Then the following week, I will be heading north to Frankenmuth, Michigan, to spend a few days with my brother and sister-in-law. Unfortunately I've been unable to set aside any span of time other than a few days here and there.

I'm also asking your prayers for our sister parishes in Haiti. Just recently their president was assassinated. So we need to pray for them. The turmoil and violence that they are experiencing is truly a cross that our brothers and sisters are carrying, even in the midst of poverty and the pandemic. So please pray for them as they are encountering evil in all of its disguises.

ON THE LIGHTER SIDE: The father was trying to teach his small daughter the value of money. After explaining the different kinds of coins, he lined up a penny, a nickel, a dime, a quarter, a half-dollar, and a dollar bill, and asked the little girl which one she would rather have. She pondered for a while, fingering each coin thoughtfully, and finally looked up brightly and said, "I like the copper one, Daddy—but could I take that little piece of paper along to wrap it in?"

"To extend to all the healing and empowering presence of Jesus"
 620 Maine, Quincy IL 62301 (217) 222-0958 ☐ Fax (217) 222-8737 www.cc.dio.org

Dear Supporter,

I write to you one last time as the Area Director of Quincy Catholic Charities. I am very honored to have served in this capacity for the last 13 years and am equally honored to now serve the agency as the Director of Operations. In my 13 years, one theme that abounds is how the communities we serve really deserve to know more about the organization and the great work that is being done; quietly, behind the scenes in the vast 15,000 square miles within the 28-county diocese.

Catholic Charities of the Springfield Diocese has 7 local offices, and an administrative office in Springfield to serve the needs of the local offices. We offer 28 different programs agency-wide and each local office has a variety of programming that 1) fits the needs of the community and 2) can be sustained through various funding sources. Each local office has an Advisory Board to guide decisions and serve as the eyes and ears to the needs of the community. Each local office has an annual operating budget and dollars donated and raised within the office stay in that local office.

The mission of the agency is from the beautiful Catholic Doctrine that teaches us "to extend to all the healing and empowering presence of Jesus" through ministries that support the dignity and sanctity of human life at all stages; value families and the sacredness of marriage and work to strengthen them; and provide hope and help to those in need. Your faith makes you a member of this great organization and calls you to serve. Welcome, and come serve with us!

Kindly,

Jackie Bruns, LCSW, Director of Operations

Professional Counseling Solutions

The Professional Counseling Solutions Program provides individual, premarital, marital, and family therapy from a systemic perspective. Services are based on a sliding fee scale and clients are not refused due to their inability to pay. School Counseling is also available in the parochial school system.

Intact Family Services

Intact Family Services is a state contracted service to mitigate further child abuse and neglect. The goal of the program is to keep the family unit intact, while addressing issues that perpetuate abuse and neglect. Families in Adams, Brown, Cass, Hancock, Pike and Schuyler Counties are accepted on a referral basis from the Department of Children and Family Services.

MedAssist Program

The MedAssist Program has two main components. The traditional program assists individuals in leveraging long-term prescription medications by accessing assistance programs through the pharmaceutical companies. The second component offers additional assistance to help with immediate medication costs/co-pays, depending on the situation. The target population of the MedAssist program are those who have no, or limited, prescription drug coverage.

Food Pantry & Mobile Food Pantry

The food pantry strives to provide supplemental food to individuals and families that present for assistance and who meet the Department of Human Services requirements. Quincy Catholic Charities is a member of the Central Illinois Food Bank and also participates in the Feeding America Program sponsored by Wal-Mart. The food pantry is open every Monday from 2:00 pm-3:30 pm, every Wednesday from 9:00am-11:30am and every Friday from 2:00 pm-3:30 pm. Clients may receive food one time per month. The Mobile Food Pantry delivers a 2-week supply of food to rural pockets of the diocese. Mobile Food Pantry Services have been established for rural communities in Adams, Brown and Pike Counties and deliveries are made two times a month on a rotating basis to identified towns in these counties.
