Twenty-seventh Sunday in Ordinary Time, October 3, 2021

Dear Parishioners,

The month of October has finally arrived and with it comes a new season in the year, namely Autumn or what we also call Fall. This month hopefully will begin the changes of nature, and with these changes, we will see the beauty of God's creation in our midst. As the weather changes, and nature seems to be undergoing a dramatic change, God will paint the most beautiful picture with His array of colors found in nature. This is the time of the year that I am grateful for living in an area that does experience the four seasons of nature each and every year. I hope that each of you will find some time to absorb yourself in the beauty of creation and discover the beautiful picture that is painted each and ever Fall. Even though winter is right around the corner, let's not worry about that right now but be filled with awe as we experience nature changing before our eyes.

Our first reading for our Mass this weekend is that beautiful reading from the Book of Genesis that we hear at so many weddings. In that reading, we hear that it was God's intention for man not to be alone but rather to have a suitable partner created for him. Man could not find that suitable in the created forms so "while he was asleep, He took out one of his ribs and built it up into a woman." And then this created man discovered his suitable partner. I was thinking to myself, how many of our married couples can continue to claim their spouses as their suitable partners for life. If not, why not? Yes, life brings many changes, and many challenges, but when there is a suitable partner with whom to share life, then it makes things bearable.

The other important part of this reading is found in the early part of this reading. It says that "God formed out of the ground various wild animals and various bird of the air, and He brought them to the man to see what he would call them; whatever the man called each of them would be its name." With this small statement, we hear the biblical author understanding giving claim to humankind's stewardship over created. God is the creator but by God giving humankind the ability to name the created creatures, God was giving stewardship over all creation to humans. It meant that human beings were not the creators, but were the caretakers, responsible to the Creator who gave creation to all of us for our use and enjoyment. In other words, we don't own creation, nor created objects, but by naming them we are responsible to protect and preserve them for all generation.

I want to welcome Msgr. Robert Tucker, a priest of the diocese of Lincoln, Nebraska, who will be with us this weekend. Msgr. Tucker led our annual leadership retreat on Saturday. He presented three talks with the overall theme being St. Joseph—the Good Steward. We thank him for his presentations as well as his challenge to us to be good stewards in our lives as St Joseph was in his life.

Our men's group will meet once again this Friday, October 8th, in the gym as they continue their sessions on the Holy Spirit. The doors open at 6:00 a.m. for coffee and a light breakfast, followed by a presentation and discussion from 6:30-7:30 a.m. The men are challenged to attend these sessions. The program is called "The Wild Goose," and highlights Fr. Dave Pivonka as he enlightens us on the gift of the Holy Spirit in our midst. Come and learn and enjoy fellowship.

Adoration Chapel Update

As you may have heard we have opened the Adoration Chapel at St. Peters for 1 - 24-hour period once a week. We know that this may be a slow start, but we have many open hours to fill. We would rather start with a few hours than wait to get all the hours filled before we start. We ask for your patience with this process.

We will be adding hours as we can, so please be aware of email and phone calls. We will be asking for a response from you to confirm hour and date.

At this time there are no walk ins. Please be respectful of the Adorers who have scheduled time in the Chapel. As you know the church is open during the day and some into the evening. It is a great place to pray also.

If you would like to be an Adorer, please contact Mary at 217-653-3127 or Gina at 217-257-9966.

Moving?

If you are moving, please call the parish office at 222-3155 to give us your new address. We get charged for any returned newsletters, contribution envelopes, or mailings.

The School of St. Peter

Week of October 3, 2021

A Message from Mrs. Cindy Venvertloh

“St. Peter School provides a quality education built on Catholic values and teachings.”

A GREAT WAY TO START THE DAY ON YOUR BIRTHDAY!

Joel D., one of our 1st grade students, began his birthday morning by coming to school in a firetruck that was driven by his uncle. This was such a special trip because not only was he in the truck but his mom and sister Maya were also able to enjoy this special ride. Maya celebrated her birthday just a few days after her brother. Their dad and little brother were able to greet him as they arrived at school. This was a special way that they were able to celebrate their birthdays together!

DON'T FORGET ABOUT THE PAPERGATOR LOCATED BEHIND THE SCHOOL

The **green PaperGator** is located behind the school by the garages. It is easy to locate as it is bright green and yellow. We are not only helping our environment but this is a win-win for us as St. Peter will be receiving \$\$ for our recycling. The more we recycle the more funds earned. We urge you to bring in recyclable paper anytime from your home or any other sources and place it in the PaperGator bin. This is ongoing. It is always available for you to use to dispose of your paper items. Please share this with your family, friends and neighbors.

What CAN go in the PaperGator?

Newspapers, Catalogs, Magazines, Junk mail, Books (hard and soft covered).

What CAN NOT go in the PaperGator?

Fr. Leo's column continued....

This Sunday, October 3rd, there will be the annual life-chain along Broadway from 2:30-3:30 p.m. I ask you to consult the bulletin for further details. This is a public witness for life and a public prayer for a respect for life. If interested, please join others in this life chain witness.

Thus far, we have had a great response for our RCIA process on Tuesday nights. There are a number of people who have joined us, looking for more information on the Catholic Church, and others who feel the grace of God calling them to discover what the Catholic Church has to offer. I ask you to keep them in your prayers.

ON THE LIGHTER SIDE: Been there and done this:

A male golfer was preparing to hit his ball from the lady's tee on the first hole, right in front of the pro shop. As he began his backstroke, a voice boomed over the public address system: "Would the man hitting his ball from the lady's tee, please move it back to the men's tee?"

He glared over his shoulder, then began again to prepare to hit the ball.

The loudspeaker again shattered the silence, repeating, "Will the man hitting his ball from the lady's tee, please move it back to the men's tee?"

At that, the man turned and faced the clubhouse. Cupping his hands on his mouth, he hollered, "will the man in the clubhouse please be quiet, so I can take my second shot?"

Life Chain Sunday, October 3, 2021 at 2:30-3:30 pm

Please join with other area pro-life supporters in peaceful public witness as we stand for 60 minutes praying for our nation and for an end to abortion. Pick up your sign on the SW corner of 16th and Broadway between 2:00 and 2:30 pm. We ask that you position yourselves two arm's lengths apart along the South Side of Broadway between 14th and 18th Streets. Do not stand in groups. Bring a lawn chair only if unable to stand. This event is an opportunity to stand for life and is held in more than 1,400 cities in the United States.

Please remember this is an hour of silent prayer. For 34 years, pro-life Christians across the United States and Canada have publicly, prayerfully, and peacefully stood in prayer and repentance on behalf of legalized abortion each fall. From its small beginnings as a local witness in California, the Life Chain has spread to more than 2,000 locations all over North America. The first Sunday of each October is usually National Life Chain Sunday. We believe that it is time for the Church to fight for the unborn with spiritual weapons. The battle for life will not be won in the courtroom or the voting booth until it is first won in prayer. We call for pastors to lead the Church in repentance for our nation.
