*The Most Holy Trinity Solemnity, June 12, 2022*

### Dear Parishioners,

It is rather interesting that we have returned to what is called “Ordinary Time” in our liturgical year, yet the Sundays after Pentecost we celebrate several Solemnities. This particular weekend we celebrate the Solemnity of the Most Holy Trinity. According to the catechism of the Catholic Church, *“the mystery of the Most Holy Trinity is the central mystery of Christian faith and life. It is the mystery of God Himself. It is therefore the source of all the other mysteries of faith, the light that enlightens them. It is the most fundamental and essential teaching in the ‘hierarchy of the truths of faith.’ The whole history of salvation is identical with the history of the way and the means by which the one true God, Father, Son, and Holy Spirit, reveals Himself to men and reconciles and unites with Himself those who turn away from sin.”*

We believe that there is one God in Three Persons, co-equal in majesty. The Father is eternal, almighty, infinite; so also is the Son; so also is the Holy Spirit. Yet there are not three almighties or three eternals or three infinities, but only one almighty, eternal, infinite God. But the Father is not the Son and is not the Holy Spirit. From all eternity the Father begets the Son; from all eternity, the Father and the Son produce the Holy Spirit; from all eternity, the Holy Spirit proceeds from the Father. Such is the mystery of our God as professed in the Nicene Creed.

I also ask your prayers for two special retreats taking place during the month of June. The first is TEC 333 which will be June 11-13th. Please pray for the team and our young people as they encounter Christ in a special way. Second, I ask your prayers for Cursillo 353 which will be held from June 23-26th. Jim Citro, a parishioner, will be the rector and I will be the spiritual director. Please remember us in your prayers.

As I mentioned before in a previous column, I am hoping and praying that we can make some capital improvements around here at St. Peter School. What I proposed and will hopefully pursue is building a new cafeteria that will be connected to our Grade School, thus preventing our students from leaving the security of the school to eat in a cafeteria below the Church. In our day and age, we need more security than ever before with all the madness that seems to be taking place in our society. And hopefully, part of the structure will involve new classrooms in a space above the new cafeteria. My long term goal would also consider a new gymnasium to accommodate all the various athletic activities in which our young people engage, without having the space to compete. Both of these improvements would free up much space for funeral dinners and parish gatherings.

As we prepare to welcome our newly ordained priest to our parish on the 1st of July, there was a podcast created by the diocesan office for communications on the story of our two newly ordained priests. This podcast was created for our parishioners “to get to know” Fr. Zach Samples and his story. The YouTube link is the following: <https://www.youtube.com/watch?v=zJtLJ34Bh0c>; or on the web: [www.dio.org/podcast](http://www.dio.org/podcast). Or as it says, you can search “Dive Deep” on all the major podcast platforms.

In our bulletins this week, I want to congratulate all of our college graduates whose families submitted their names for acknowledgement. We take much pride in their achievements and recognize their success. Congratulations to all of you.

**ON THE LIGHTER SIDE:** A man and his wife walked into a dentist office. The man said to the dentist, "Doc, I'm in one heck of a hurry. I have two buddies sitting out in my car waiting for us to play golf, so forget about the anesthetic, I don't have time for the gums to get numb. I just want you to pull the tooth and be done with it. We have a 10:00 am tee time at the best golf course in town and its already 9:30 a.m. I don't have time to wait for the anesthetic to work!"

The dentist thought to himself, "my goodness, this is surely a very brave man asking to have his tooth pulled without using anything to kill the pain." So the dentist asks him, "Which tooth is it sir?"

The man turned to his wife and said, "Open your mouth, Honey, and show him."
