Nineteenth Sunday in Ordinary Time, August 7, 2022

Dear Parishioners,

In our gospel for this 19th Sunday in Ordinary Time, Jesus says something profound and often very descriptive of our lives. He says, “for where your treasure is, there also will your heart be.” Perhaps this gives us an occasion to look at our lives and discover where our heart is and thus discover our treasures. The question we might have to ask ourselves is how do we discover where our heart is. The determining factor for anything important in our lives is where we put our time. Where we put our time, that’s where our heart is. And where our heart is, then we discover our treasure.

Jesus also tells a parable in this same gospel about the prudent servant whom the master puts in charge of his servants to distribute food at the proper time. The point of the parable is the prudent servant is expected to fulfill his assignment regardless of any delays in the master’s coming. Then the conclusion of the gospel parable is thus: “Much will be required of the person entrusted with much, and still more will be demanded of the person entrusted with more.” Each of us is entrusted with a faith, a hope, and a love. These gifts are treasures the Lord gives to us. If these are entrusted to us, then we are expected to make them priorities in our lives. May each of us who are entrusted with these virtues allow them to grow in all of our lives.

Next Sunday, August 14th, we plan on having the kick-off of our school year with a Mass on the grass at 5:00 p.m. We ask you to bring your lawn chairs and/or blankets to this celebration which will take place next to Seton Hall. Again, this Mass will fulfill the Sunday obligation. In case of inclement weather, this Mass will be transferred to the Church. Please join us as we begin our new school year with the Eucharist celebrated together as a parish family.

This Monday, August 15th, is the Solemnity of the Assumption of Mary, a holyday of obligation in the Church. However, since this solemnity falls on a Monday, the obligation is abrogated, meaning that it is not obligatory to attend Mass on that day. We will still have Mass at 8:00 a.m. to celebrate this Solemnity.

This week then ends for all purposes our summer vacation from school. Our first half-day of school will be Tuesday, August 16th, followed by our first full day of school being Wednesday, August 17th. Our teachers, administrators, and staff have been working hard preparing for these days, as they welcome our students to another year of challenging educational opportunities. As always, we expect the support and cooperation of our parents as we begin another school year. With God’s grace and blessing we begin the school year of 2022-23.

As we look ahead, I remind you that our parish picnic will be on Saturday, August 27th, on the parish grounds. Because of the picnic, our Saturday afternoon Mass will be at 4:00 p.m. and not 5:00 p.m. Confessions will not be held that particular afternoon. I ask your prayers for a very successful parish picnic, that God will watch over our efforts, help us to enjoy each other and have a lot of fun, and that God will keep us safe and protected throughout the night.

Dear St. Peter Parishioners,

Thank you for the warm welcome you have shown me since I first arrived here just over a month ago. I have enjoyed meeting you after Masses, having dinner with you in your homes, going out for a bite to eat, and praying with you in our beautiful Church. The welcome you have shown me has truly been exceptional. It is clear that we have a warm, welcoming, and inviting Parish. In a particular way, I would like to thank you for joining us after Masses this past weekend for the welcome receptions. Good food and conversation were had by all. My thanks to all who helped to plan, set up, and serve these receptions. In the days, weeks, and months ahead, I look forward to continuing to get to know more of you. Please be patient with me as I continue to learn names...as I joked my first weekend here, my two greatest weaknesses are food and calories...and that really isn't a joke! Please continue to pray for me and know of my prayers for you. In thanksgiving for His many gifts, I remain, Sincerely yours in Christ,
Fr. Zach

A Message from Mrs. Cindy Venvertloh

"St. Peter School provides a quality education built on Catholic values and teachings."

WELCOME MISS HANNAH KLINGELE TO ST. PETER SCHOOL STAFF

Miss Hannah Klingele has joined our amazing staff at St. Peter School. She has accepted the position as one of our para educators who will be working with Mrs. Carmen Griffith and the four year old preschool students.

Miss Klingele was born and raised in Payson, Illinois. She now lives in Quincy, just right up the street from St. Peter. She graduated from John Wood Community College in 2020 with an AS in Agriculture. She is now at Quincy University hoping to receive her bachelors degree in Early Childhood Education this coming December.

Ever since she was little she knew that she was called to be a teacher. Miss Klingele loves the light that children bring into the world and is passionate about providing hands on experiences to enhance their learning. Miss Klingele's first year in the field was last year as a daycare 4 year-old preschool teacher. She is excited to grow with knowledge from Ms. Carmen Griffith. She can't wait to meet all of the wonderful staff and families at St. Peter's.

Fr. Leo's column continued..

As we prepare for our parish picnic, so much of the success depends upon the support of parishioners. We need workers, we need parishioners to sell their chances, and we need our parish family to pray. We also need our parishioners to be present, with smiles and warm welcomes to our visitors, and parishioners who are willing to serve and show hospitality to all present. We are looking to leaven a great and lasting impression to all of our guests.

Also, next weekend, I remind you that the Knights of Columbus will be having their annual BBQ on the KC grounds from Friday, Aug. 12, to Sunday, August 14th. Games, rides, and plenty of food will be offered throughout these three days.

ON THE LIGHTER SIDE: It was a stifling hot day and a man fainted in the middle of a busy intersection. Traffic quickly piled up in all directions rushed to help him. As she knelt down to loosen his collar, a man emerged from the crowd, pushed her aside and said, "it's all right honey, I've had a course in first aid."

The woman stood up and watched as he took the ill man's pulse and prepared to administer artificial respiration. At this point she tapped him on the shoulder and said, "when you get to the part about calling a doctor, I'm already here."

After returning from a fishing trip with her husband, a wife confessed to her neighbor, "I did everything wrong today—I talked too much and too loud. I used the wrong bait. I reeled in too soon and, worst of all, I caught more fish than he did."
