The Most Holy Body and Blood of Christ Solemnity, June 11, 2023

Dear Parishioners,

This weekend we celebrate the Solemnity of the Most Holy Body and Blood of Christ. If there were a solemnity that describes who we are as a Church, it would be this celebration because the Eucharist is the front and center of all that we are and all that we do. It is in the celebration of the Eucharist that we are given a gift beyond words, the gift of Jesus, giving us His very self, Body, Blood, Soul, and Divinity. In receiving Him, He invites us to become treasured vessels of His presence; living and breathing tabernacles of His glory. We become what we eat and drink, namely we become the Body of Christ. There is no greater role or mission than to be the tabernacle of His presence to a broken and sinful world. For it is being that tabernacle that we offer hope and vision for all to see in the love and care we have for others.

After a long absence from receiving Holy Communion under the appearance of Jesus' blood in the cup because of Covid, we are returning this weekend to our traditional practice of Holy Communion under both species. For those who are still reluctant to drink from the Cup, it is fine to receive as you are doing now. But I expect respect for others who choose to drink from the one cup. As a reminder I quote from the Catechism of the Catholic Church (1390): "Since Christ is present under each of the species, communion under the species of bread alone make it possible to receive all the fruit of Eucharistic grace. For pastoral reasons this manner of receiving communion has been legitimately established as the most common form in the Latin rite. But the sign of communion is more complete when given under both kinds, since in that form the sign of the Eucharistic meal appears more clearly." And so this weekend we return to our traditional practice of Holy Communion under the species of bread and wine.

This Sunday through Friday, June 16th, we will be sponsoring the Totus Tuus Summer Camp. This camp will be held on the campus of St. Francis Solanus Church and we will be co-hosting this camp with them. It is for students going into 1st-12th grades. The word "Totus Tuus" is Latin and means "totally yours" and was the motto by Pope St. John Paul II. Please consult the bulletin for more details.

There are many other spiritual and social opportunities taking place for our parishioners to consider. There is a Men's Cursillo in several weeks, there is a TEC this weekend, St. Francis is having their parish picnic and there is a Sunday Funday at 57 & Vine on Sunday, June 25th. Please consult the bulletin if you want to spiritually reward your self with an experience, or just enjoy the company of others with the various social events.

We have been doing our best to get our records updated concerning the many shut-ins that we have within our parish. We sometimes come across people we have missed, all unintentional. That is why I am writing to you. If you know of someone who has been missed, or address has been changed, or whatever else might be the case of a missing parishioner, please call the rectory and let us know. We are trying to get our records straight but then we find that we have missed someone over the years and its not a good feeling. Please help us!

Exciting News – New Church Directory! Online & In Print

Father Leo, with strong encouragement from Father Zach, has determined it is time for our new pictorial church directory. Families have grown, we have welcomed new members, and some have moved. It is important we remain connected in spirit AND in-person, putting faces with names.

We are looking for 100% participation! To help... we have secured a reputable photography company, Trotter Photo, along-with a local and familiar face, Teresa Huner, owner of Picture This Photo. Together, they are providing photo sessions **free of charge!** [And NO in-person sales.]

When was the last time you had a professional family portrait? Do not let this extra special opportunity pass by. It just doesn't get any easier than this and in the comfort of your own parish!

What's more, Trotter Photo will be designing our new directory, for sale by print AND including a new online directory to share with our members at no charge! The online directory will allow our church to store member information securely and the flexibility to make changes as we go forward. Printed directories can be ordered online (instructions provided at your photo session) and all purchased photo packages will include an additional free 8x10 (just for you) from the church as our way of saying, "Thank you" for taking the time to support this initiative.

Details regarding the photography sessions can be found here: <https://www.trotterphoto.com/spchurch>
Sessions are scheduling now – with a variety of dates and times are provided between June 27 – July 20th. We have a lot of members, so do not delay reserving a spot.

Fr. Leo's column continued..

As we celebrate the Solemnity of the Body and Blood of Christ, I want to remind you that our diocese will be having a Eucharistic renewal on Saturday, October 28th, in Springfield. That weekend we are not allowed to have any Masses (funerals, weddings, and Saturday evening Masses for the weekend), encouraging people to attend this solemn celebration with all the priests, deacons, and Bishop of the diocese. More details will be forthcoming but I'm setting the stage so as not to surprise anyone. Churches are limited to a number of tickets, based on their October attendance count. We have over 200 tickets reserved so I ask you to begin to think about reserving that date and representing St. Peter Church at this Eucharistic renewal. There are several well known speakers including Scott Hahn. We are at the beginning stages on how to allocate our tickets to interested parishioners.

ON THE LIGHTER SIDE: At a workshop on dog temperament, the instructor noted that a test for a canine's disposition was for an owner to fall down and act hurt. A dog with poor temperament would try to bite the person, whereas a good dog would lick his owner's face or show concern.

Once, while eating pizza in the living room, I decided to try out this theory on my two dogs. I stood up, clutched my heart, let out a scream, and collapsed on the floor. The dogs looked at me, glanced at each other, and raced to the coffee table for my pizza.

Enjoy your summer!
